

DDIN[®]

CLIPPING HOOKS

Ideal for large diameter conductor and T2[®] and VR2[®] wires, the unique design of the DDIN Heavy-Duty Clipping Hook creates a more inline conductor lift. This hook is serialized and labeled with a durable nylon-reinforced tag for easy identification. Both hooks are cast from high-strength aluminum alloy.

- Tamper-resistant galvanized shackle
- Safety Factor: 5:1
- Durable urethane lining
